México City. February 21, 2013

**Wal-Mart de México, S.A.B. de C.V. (WALMEX)** hereby informs its shareholders and the investing public that during 2013, it estimates investing between **\$17,300** and **\$17,900 million pesos** to grow its installations and modernize its operations. These amounts would be at least \$2,500 million pesos higher than the investments made during 2012.

The investment that will be used for new store openings is estimated in a range of between **\$9,200** to **\$9,800 million pesos**. In **México**, it is contemplated that the sales floor will increase between **8%** and **9%**, while in **Central America** it is estimated that it will increase **6%**. In total, the growth in installed capacity is estimated to be between **7.8%** and **8.7%**.

To modernize operations, the amount estimated to be invested is \$8,100 million pesos, divided as follows: remodeling \$2,500 million pesos; infrastructure \$3,350 million pesos and logistics \$2,250 million pesos.

Scot Rank, Chief Executive Officer, mentioned: "The confidence in the growth opportunities offered by the 6 countries in which we operate, as well as the strong financial position that characterizes us, will allow us to invest during 2013 between \$17,300 and \$17,900 million pesos. Unquestionably, this investment will be fundamental in order to allow us to make our value proposal available to more clients and to maintain the Company's operations in optimal conditions, benefitting our clients, associates, suppliers and the communities that we serve."
